“All things change and we change with them”

"We shall not pass this way again"

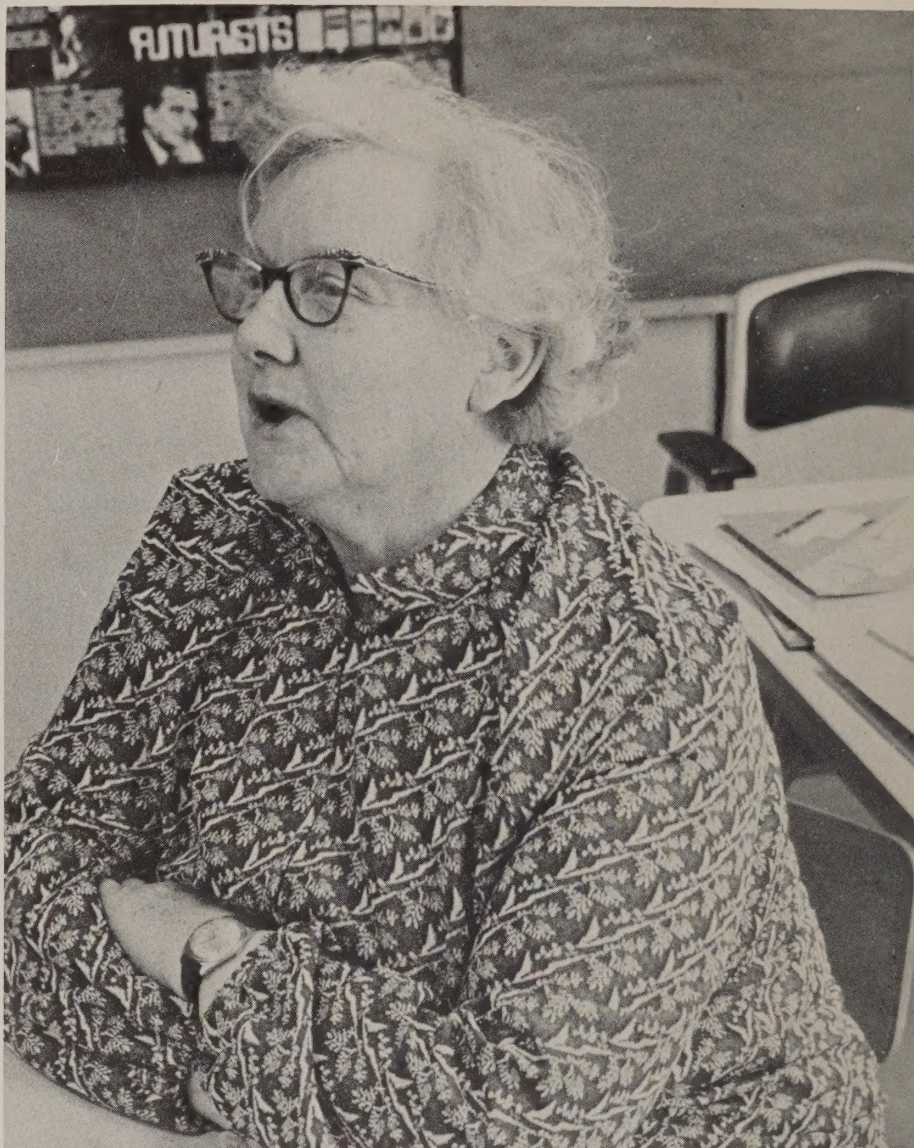

DEDICATION

For the first time in twenty-six years, "The Hornet" Staff has found it necessary to dedicate "The Hornet" to two people. We feel that both of these individuals are fine examples of teachers who have devoted a great deal of time and effort to the student body.

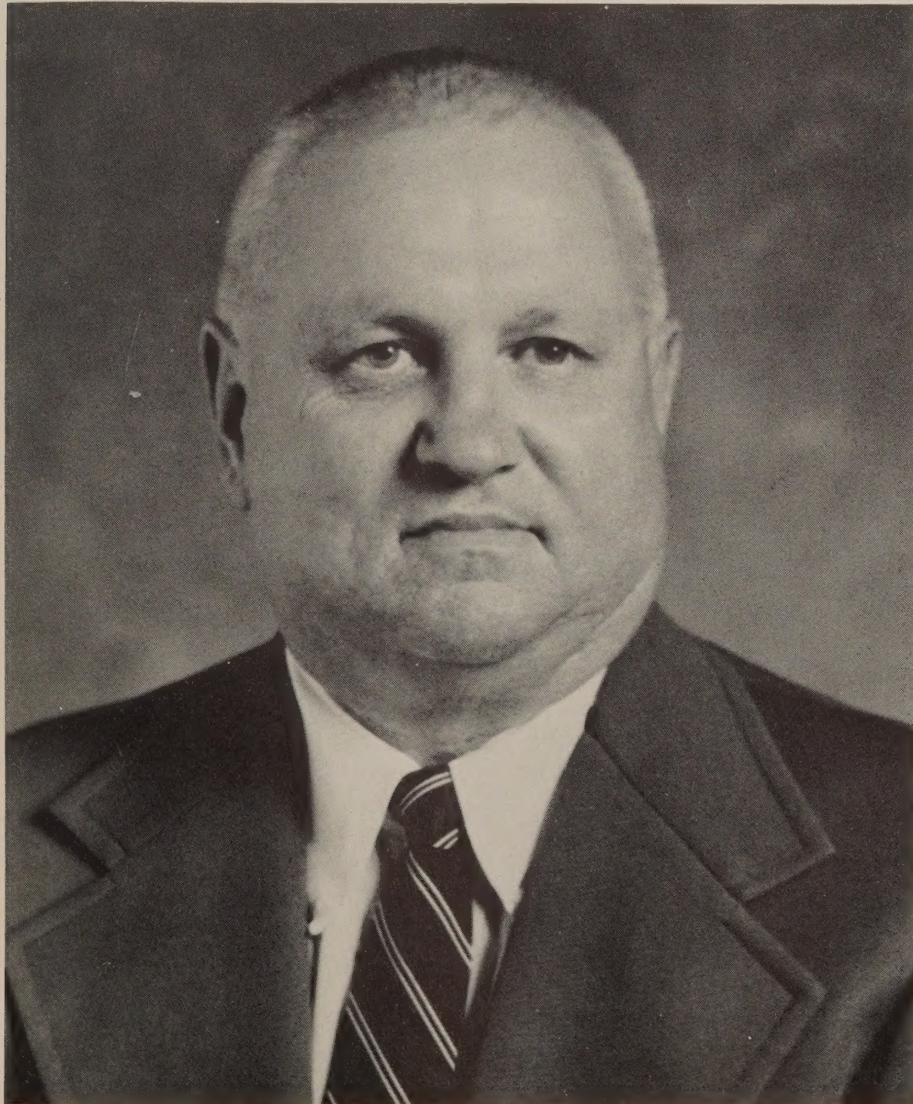

For almost twenty years she has taught at Deep Creek High School. For nine years she served as sponsor of the Annual Staff until this year, trying to initiate a "mini-course" system within the Social Studies Department, of which she is the head, required all of her free time. During those years as layout sponsor she was faced with the hopeless task of trying to get an annual out of a staff that was inexperienced and fun-loving, trying to meet every deadline, take every picture and name every person.

The Annual Staff misses her and in appreciation for her many years of service to "The Hornet" and Deep Creek High, we dedicate "The 1974 Hornet" to Mrs. Edna G. Parson. Thank you!

When the Class of 1974 first arrived at Deep Creek as Freshmen, we were greeted by the man who was to serve as our class sponsor for our four years in high school. He organized fund-raising efforts of selling candy, barbecue dinners, holding spaghetti dinners, and running the basketball concession; all in preparation for the big event of the class — the Junior-Senior Prom. Not only has he led the Class of '74 through to the end but he is a familiar face to most of the student body as he has taught World Geography and sold tickets at athletic events.

In appreciation for the many hours of time devoted to the Senior Class and the school we dedicate "The 1974 Hornet" to Mr. John C. Huff. Thank you!

HONOR GRADUATES 1974

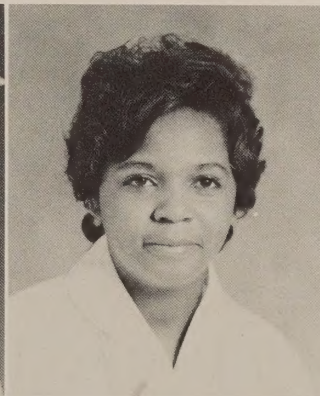

Fifty-one graduating seniors maintained a grade-point average of at least 3.0 throughout their entire high school career. This enables them to be recognized at the Commencement exercises as Honor Graduates by their wearing of a gold cord and a gold tassel. To these fifty-one the Annual Staff extends its congratulations and the wish that they may do as well in their future.

— William Penn

1974: Pause to Proceed

Soon voyaging into life
We must pause to examine
Our accomplishments
And our goals
And our paths through trials untold
By time . . .

Since our small beginnings
We have come to believe
In Ourselves
And in others
And in all that we have done
Through youth . . .

Now graduating into life
We'll exist day by day
Separated by space
But united
Through dreams of a time when this race shall be joined
By truth . . .

Passing into adulthood
We must strive to be wise
To possess maturity
To accept responsibility
To take advantage of all we have learned
Through age . . .

Now voyaging into life
We have paused to proceed
To further our accomplishments
To fulfill our goals
And to widen our paths through trials untold
By life.

"WE MAY NEVER PASS THIS WAY AGAIN"

Life — so they say
Is but a game and they let it slip away
Love — like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up

We may never pass this way again
We may never pass this way again
We may never pass this way again

Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up — always up

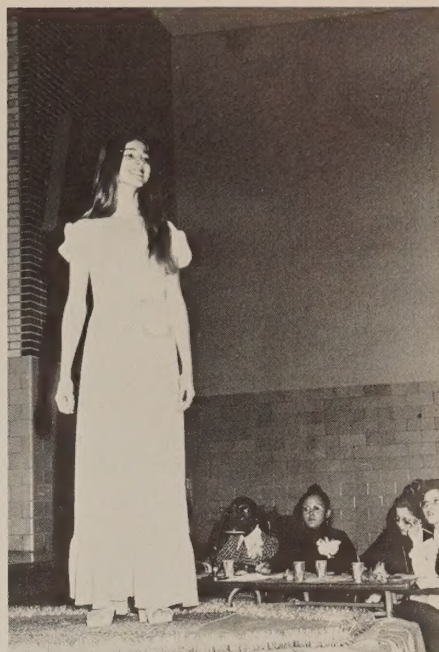

We may never pass this way again
We may never pass this way again
We may never pass this way again

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than
A friend

Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you baby

We may never pass this way again
We may never pass this way again
We may never pass this way again
We may never pass this way again

JUNIORS

The new sponsor, Mr. Wesley, led the Junior Class through one of the most important years in high school life. Working hard all year long for many goals, one of which was the all important "PROM".

Candy and tooth-brush sales, running the concession stand at all home basketball games and wrestling matches, and having a bar-b-que all helped in making money for the best prom D.C.H. has ever had.

Growing up together, ordering class rings, preparing for college, and taking senior pictures all helped in unifying the Junior Class.

FACULTY

AND

ADMINISTRATION

Mr. Hardee Directs Students And Faculty

Veterans Mr. Nathan T. Hardee, principal, Mr. Joel P. Ridings and Mr. Elisha A. Harrell, Assistant principals, have reinforced the superb job of administrative work and effective communication throughout Deep Creek High School. In addition, Mr. Carl W. Opauski, has served as the newly appointed Administrative assistant.

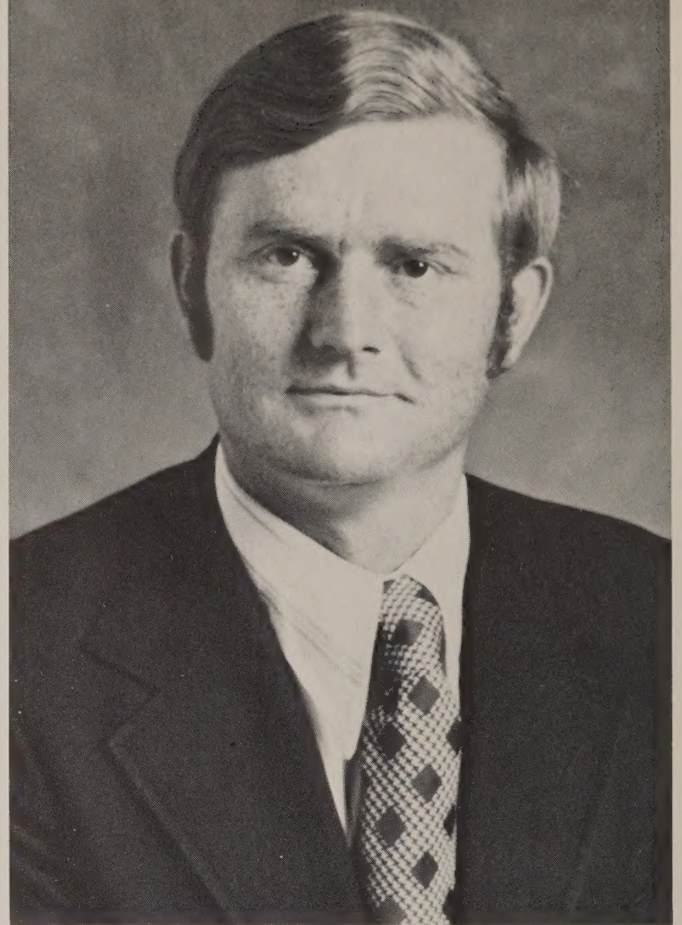

Mr. Hardee has displayed an evermounting concern for the students, faculty, and staff. Even though Mr. Hardee is constantly busy, he always has time to talk to anyone on a personal and individual basis. With the knowledge that we have such a friend, Deep Creek High School has improved our experiences in our constant progress of learning.

Assistant Principal Mr. Joel P. Ridings is heard every morning by the faculty and students. He announces school and club activities over the public address system.

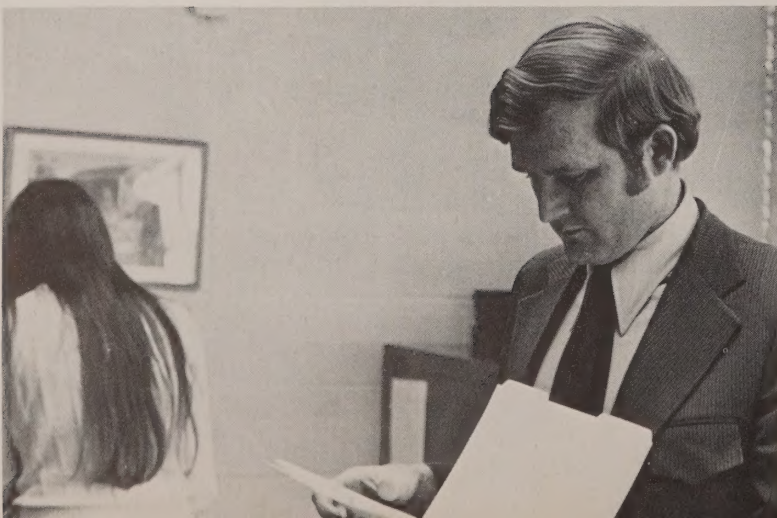

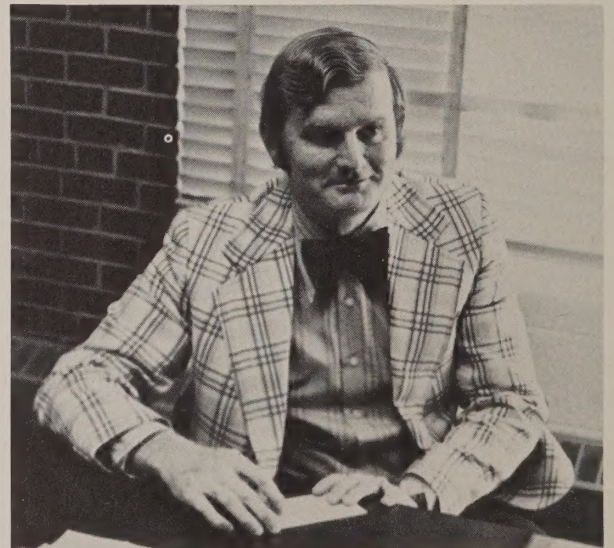

As Athletic Director, Mr. Ridings sparks the interest and enthusiasm of school spirit and sportsmanship that stems from his participation in college sports as captain of the baseball and football teams.

Assistant Principal Mr. Elisha P. Harrell spends most of his time talking and listening to parents and students. In charge of the disciplinary office, his character of frankness and honesty, was as self-explained as his hard set rules. Mr. Harrell has helped smooth the bumps and scratches encountered in adjusting to a constantly changing society.

Head football coach Carl W. Opauski confronted no serious problems as administrative assistant. Mr. Opauski has contributed to the rapport with faculty and the growth of the idea of teamwork and motivation.

Making Life A Little Easier

School secretaries Mrs. Morgan and Mrs. Kerley assisted the entire faculty and student body effectively with all their school-envolved work. Besides administrative secretarial duties, their work schedule consisted of contacting substitutes in the absence of teachers, keeping all financial accounts, and giving information to students, teachers, and visitors.

Mrs. Watts, attendance director, with the aid of her student assistants, checked attendance and prepared absentee lists.

Mrs. Presson, our school-community worker, makes home visits to students and parents. Mr. Brabson, the Youth Services Officer, has helped to create better human relations with the Police Department and the student body.

Mrs. Watts, Attendance Director; Mr. Brabson, Youth Services Officer; Mrs. Kerley, Secretary; Mrs. Morgan, Clerk; Miss Peggy Scott, Study Hall Monitor.

Mrs. Rich, an addition to our guidance department, is counsellor for the freshman class. The other counsellors, Mrs. Casteen, Mrs. Babb, and Mrs. Thomas, complete the department which provides an atmosphere of understanding and direction for the future. The counsellors met with parents and students to discuss values and goals for the student's future.

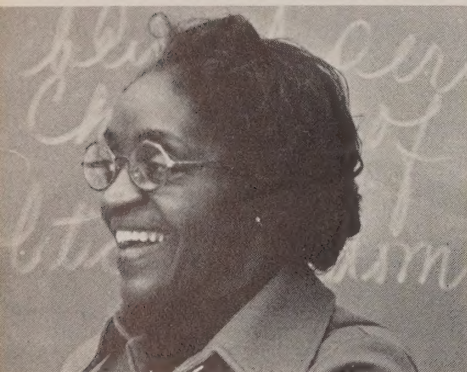

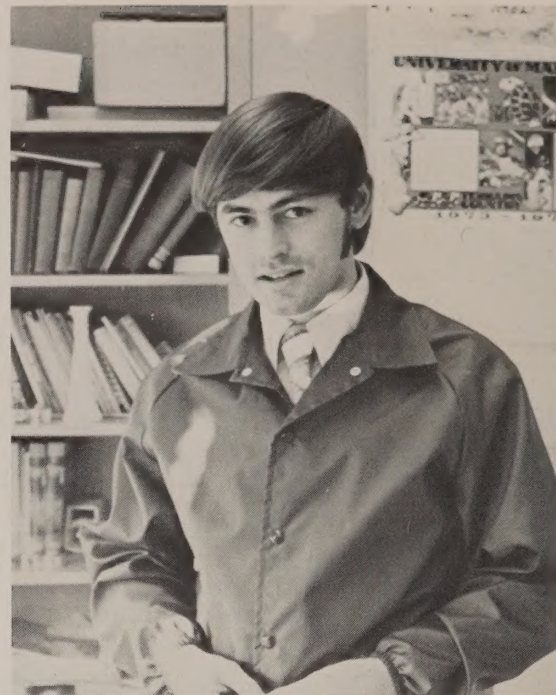

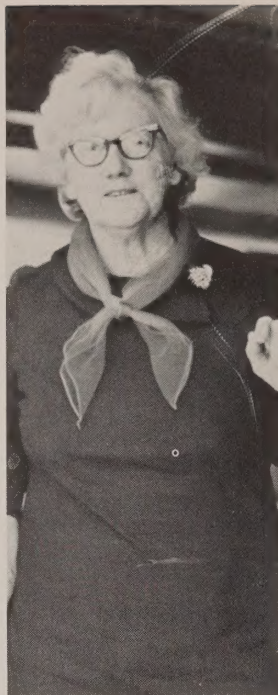

Mrs. Nell P. Casteen; Mrs. Ruth J. Thomas; Mrs. Linda B. Babb;
Mrs. Eleanor W. Rich.

Business Leaders of D.C.

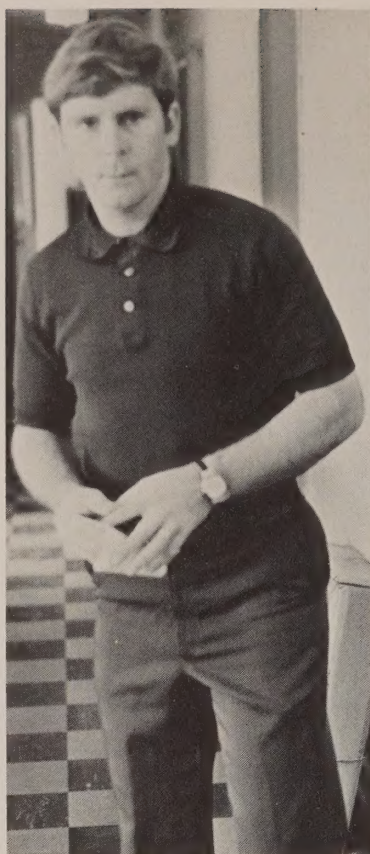

The Business Department provided courses designed to prepare students for employment after graduation. Business students can qualify for positions as bookkeepers, receptionists, secretaries, or file clerks. Through the I.C.T. and D.E. programs students may earn money and work experience as well as credit toward graduation. This year V.O.T. added another dimension of realism to the program by issuing the students checks for work done. These checks could be used by these students to purchase items donated by industry. Business courses also served the college bound student by providing the practical courses enabling him to type a research paper or qualify for a summer job.

Mr. Osborne heads Science Department

Contrary to popular belief science is more than merely memorizing facts and formulas. Science, in its truest sense, means discovering the world in which we live. It is applying abstract theories in such a way as to conquer world a more comfortable place to live. Through the use of experiments Deep Creek science teachers tried to stimulate interests among their students and introduce them to many valuable concepts. They also sponsored the science club and participated in a successful science fair.

Media Brings It All Together

The transition from a library to a Media Enrichment Center, emphasized the necessity of providing all types of audio and visual modes of communication for implementing quality instruction. Because of the tempo characterizing the rapid changes in our educational, technological, and social structure, it was imperative that the Media Center be competitive and sensitive to these changing needs.

The Media Center's program, collections, and resources attempted to provide a broad spectrum of learning opportunities for guiding students to study effectively, to think objectively, and for promoting new interests and enthusiasm in exploration and research.

Rama runs Hog Wild!
Get ready for a big CRASH!!
See anyone you know?

Just let me at 'em, I'll kill 'em!!

December 3, 1973 was the night when nature changed it's course. Suddenly girls became football players and guys became cheerleaders. Yes, it was the annual Powder-puff Football game sponsored by the S.C.A. This year the game featured the Seniors who called themselves "Moon-Shiners" against the Juniors who were called "Woods Warriors."

PUFF JUNIORS 24 to 6

Oh no you don't!
Our girdles are killing us.

Now girls, only cry if you break a leg.

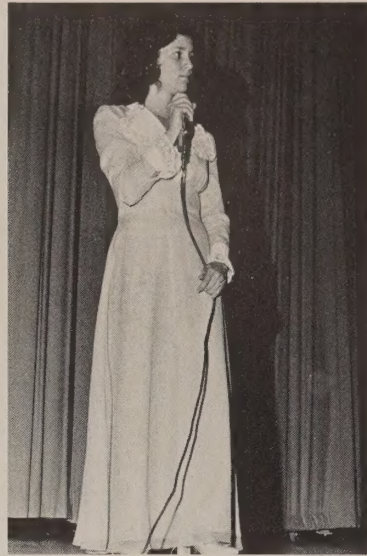

At the beginning, it seemed that the excited crowd was in for a real treat. The Seniors scored first, but soon after, the Juniors added their points to the board. Yet, as the game progressed, the winner prevailed as Sue Rama and her Senior gang ran away from the Juniors 24 to 6.

The Juniors were coached by Mike Woods and Norman Gometz and the Seniors by Todd Frazier and William Windley.

3RD ANNUAL — MR. AND MISS

"Give My Regards To Broadway"

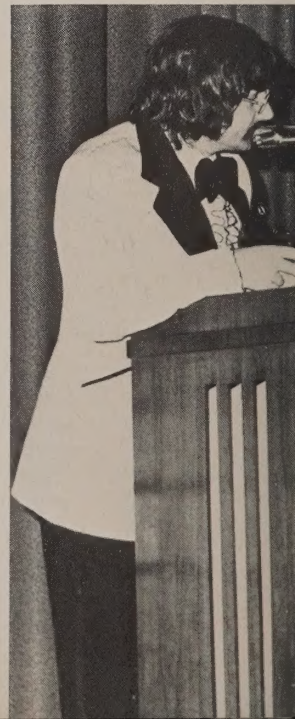

The 1973-1974 Mr. and Miss Deep Creek Pageant opened with the contestants performing to the theme "Give My Regards To Broadway," with Miss Susan Brigge accompanying them at the piano. The contestants modeled casual and formal wear. Miss Nancy Ferrante entertained the audience with a modern dance routine to the music of "Jesus Christ, Superstar."

Bridgett Bowes, Laurie Dellinger, Gina Ford, Lisa Ford, and Debbie Jones were chosen as the five semi-finalists.

While the judges contemplated the five semi-finalists, Miss Griffin announced the 1973-1974 Mr. Deep Creek as Mr. Eddie Lupton. The judges returned with their decision. Robert B. Mitchell announced the First Runner-Up as Miss Gina Ford. The Third Annual Mr. and Miss Deep Creek Pageant ended with Robert B. Mitchell announcing Miss Laurie Dellinger as the 1973-1974 Miss Deep Creek.

DEEP CREEK PAGEANT

Outstanding Students

Among the 1300 at Deep Creek High, there are many students who apply themselves to do well at anything they attempt and for their efforts they are rewarded with high honors. "Who's Who Among American High School Students" is not only an honor, but a distinction, a recognition of those seniors who have mastered their high school years in academic and extracurricular activities.

"WHO'S WHO", L to R: Penny Reitelbach, Barry Long, Eddie Lupton, Betty Watson, Valerie Darnell, Bob Ewers, Audrey Covington, Kim Winn, Sharon Bowen, and Randy Hoeflein.

"State"

This past summer four Seniors were chosen to represent Deep Creek High School at the annual session of Girls' and Boys' State. They were Nancy Ferrante, Sharon Bowen, Eddie Lupton, and Bob Ewers. Because of the lack of sponsors, only two were able to attend. Nancy Ferrante attended Girls State at Radford College and Eddie Lupton, replacing Bob Ewers who was unable to attend, attended Boys State at Lynchburg College. While at "State", the delegates heard speeches from important political and non-political citizens of our state and nation and held mock city and state elections.

The main purpose of "State" is to get young people a better understanding of our government and how it is run. Very few students have this opportunity and to be chosen as delegates to represent a school is a high honor.

At Deep Creek High

"OUTSTANDING TEENAGERS", L to R: Sharon Bowen, Bob Ewers, Audrey Covington, Kim Winn, Randy Hoefflein, Valerie Darnell, Betty Watson and Penny Reitelbach.

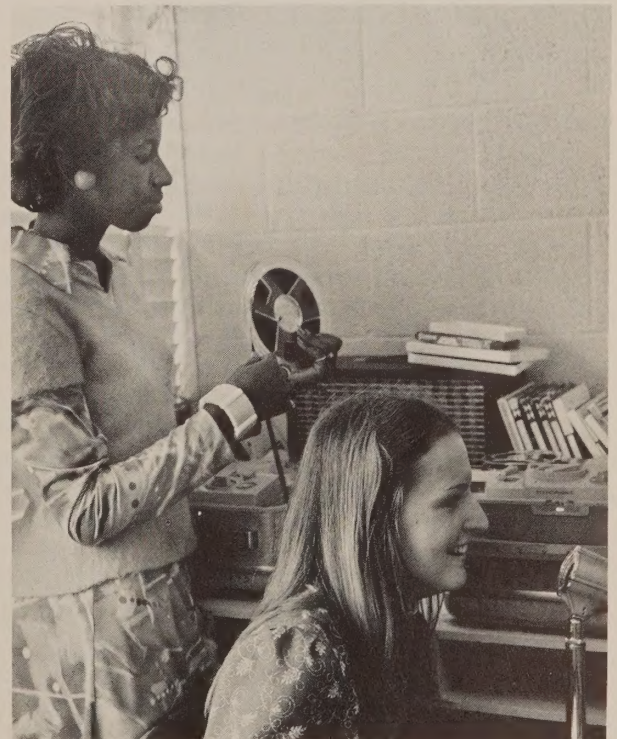

The "Outstanding Teenager" award is yet another way of honoring those seniors who have excelled during their high school years. The recipients have earned their achievement through hard work and a limitless will to excell.

The 1973 Fall Scholastic Team consists of two outstanding students from grades 10, 11 and 12. The team sponsored by the Ledger Star, was established to recognize the achievements of these superb students.

Sharon Bowen and Jean Kennedy represented Deep Creek High as radio correspondents. Sharon reported home game scores to WGH and Jean Kennedy reported to WNOR each week what was going on at Deep Creek.

Sharon and Bob Outstanding Citizens

During Youth Appreciation Week the Optimist Clubs of Tidewater held a banquet to honor the two outstanding teenagers from twenty-two High Schools, their parents and sponsors. The students were selected by their overall achievement in scholastic fields and extracurricular activities in school and community organizations. This year Deep Creek was represented by Sharon Bowen, who is receiving the honor for the second time in her high school career, and Bob Ewers.

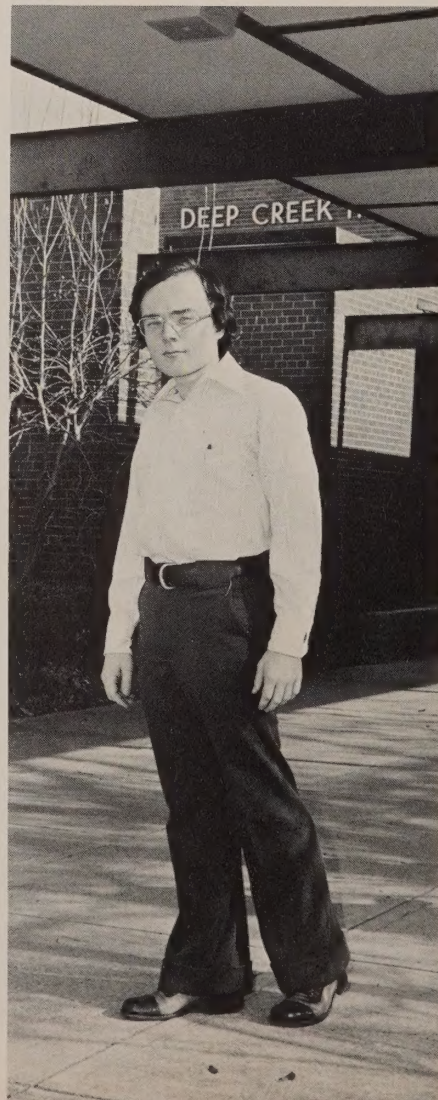

Governor's School For the Gifted

Virginia's General Assembly appropriated funds in 1973 establishing the first Governor's School for the Gifted in the Old Dominion. Under the direction of the State Board of Education and Mrs. Isabelle P. Rucker the "Governor's School" provided stimulating educational experiences for four hundred Virginia high school students with outstanding abilities and talents in the natural sciences, social sciences, arts and humanities. The diversified program, lasting six weeks, was held at three different centers in the Commonwealth during the Summer of 1973.

The purpose of the Governor's School was to provide educational experiences which are not offered in traditional high schools. Distinguished Virginia journalists, historians, archaeologists, musicians, teachers, politicians and artists shared thoughts with the students within the intimate confines of a dynamic educational and social community. Field trips and unlimited freedom also helped to produce 400 enlightened young Virginians.

Robert Ewers, Deep Creek's only participating student, attended the program at Mary Baldwin College in Staunton, where he concentrated on the social science study areas and found that the program presented an almost ideal educational growth medium for expanding both mind and horizon.

Band Welcomes

Under the leadership of new director Mr. Clarence Miller, the Deep Creek High School Band experienced an exciting year. It began with the playing and marching at football games. The band learned many new routines and formations, fascinating their audiences with superb playing and great marching ability. In October they were the host band for Chowan College's Homecoming, where they participated in the halftime festivities giving a magnificent performance. Later on the same day, they also participated in the Tide-water Marching Band Contest held at Indian River High School.

After the marching season was over, the band began to prepare for their annual Christmas concerts. Other concerts later in the year included the spring concert, and the final concert for graduation ceremonies where senior members had their final opportunity to play with the band.

Forty students auditioned for Regional Chorus; 32 passed the auditions and participated in Regional Chorus. One of our members, Eddie Lupton, scored a perfect score. This was the first time this has been done in seven years. Eight of our members qualified for All State Chorus. This was the largest number from any school in the District.

Under the direction of Mr. David Sanford, the choruses performed beautifully. A great deal of credit should go to Mr. Sanford for his devotion and hard work to mold the choruses into superior groups.

CLUBS AND ORGANIZATIONS

Chaired by Eddie Luoton, S.C.A. Vice-President, the Inter-Club Council consists of all club, class and organization Vice-Presidents. Their main purpose is to be a link between all the clubs and organizations at Deep Creek High School.

The Student Cooperative Association held a series of orientation assemblies for all students. New members of the administration were introduced and the principal, Mr. Hardee, informed students of policies for the school year. S.C.A. President, Sharon Bowen talked to the students about joining various clubs in the school and invited all students to support and become involved in upcoming S.C.A. council elections and other activities. She explained the new constitution that the S.C.A. had adopted for the 1973-74 school term, and gave goals, set by the executive board during a summer workshop session, which would help bridge the gap of apathy and noninvolvement.

Homecoming preparations began long before October 26, 1973, and on that evening the Alumni, the students, football players, the band, and various floats made stinging reflections of Homecoming 1973.

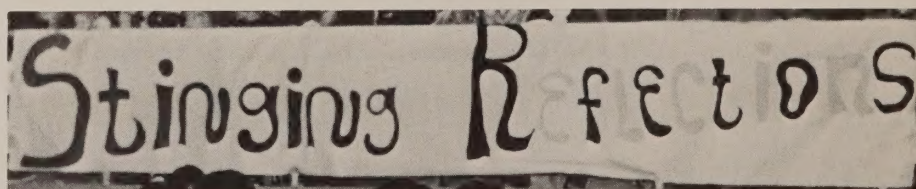

To highlight the festivities, eight Follie Girls in their shimmering attire and numerous clowns added color and reflections of old and new good times.

During the month of November a food drive was held for Thanksgiving. An assembly on the History of Rock was presented by WGH radio station.

Our student body participated in the Penny-an-Inch drive sponsored by the Chesapeake Christmas Committee. Each person was asked to a penny for each inch tall. We collected \$1,013.45 which was 189% of our school goal. This money provided food, clothing, and toys for Christmas.

After the Christmas holidays, the SCA met to evaluate its progress from the past year and to formulate ideas for 1974. A Student's Handbook was prepared and in March we hosted the other Chesapeake high schools at a meeting of the Chesapeake Association of Student Councils.

On April 19-21 four SCA representatives attended the state SCA Spring Conference.

Under the direction of Mrs. Porter and Mrs. Wright, the club also took part in many other worthwhile activities.

Le Cercle Francais began their 1973-74 year by selling football programs at all home games. Due to a faculty change, the French Club led by President Betty Watson, operated the rest of the year without a sponsor.

One of the main goals of the French Club is to promote an interest in the study of French life and culture, and strives to develop an interest in the study of the French language among the students at Deep Creek High School.

The French Club ended their year with their annual spring picnic.

Students are prepared for fulltime employment in business offices as secretaries, bookkeepers, typists, and clerical workers.

Both V.O.T. and C.O.T. students meet for one class period each day.

They both meet in the same room for classroom learning techniques.

The difference between them is that Vocational Office Training students work at jobs for which they earn wages as well as credit toward graduation. Clerical Office Training students do not work and receive only the credit for the course.

The Honor Society inducted eight new members: Tommy Deal, Steve Jackson, Larry Ballance, Mike Woods, Gina Ford, Susan Byers, Sharon Dajon, Renee Jackson.

The G.A.A. after first getting organized combined the ideas of the members and put together a float that won first place in the homecoming parade.

Later in the year they sponsored a student faculty volleyball game and sold candles as money making projects.

The club had a Christmas party and gave gifts to the sponsors, they were Mrs. Dixon and Mrs. Nicholson.

Members receive pins, letters, rings, and trophies according to their participation in the club activities.

Pep Club Arouses School Spirit

The Deep Creek High School Pep Club, is organized for the purpose of promoting school spirit in various activities throughout the school. Any student who was interested, had school spirit, and a good set of lungs for yelling was able to join.

The club sponsored buses to the football games for those who needed a ride. Members showed their spirit by the sale of pom-poms, balloons, and cow bells.

Mrs. Butts sponsored the club with good school spirit.

Good Kindling Primer Staff

The Good Kindling Primer staff is shown here desperately trying to be creative. This year the G.K.P. has published two more editions, of D.C.H.S.' students poems, one in the winter and one in the spring.

Orchestra

Sponsored by Mr. Carter, the Orchestra Club is a music appreciation group. The group is planning to present a rock concert again this year.

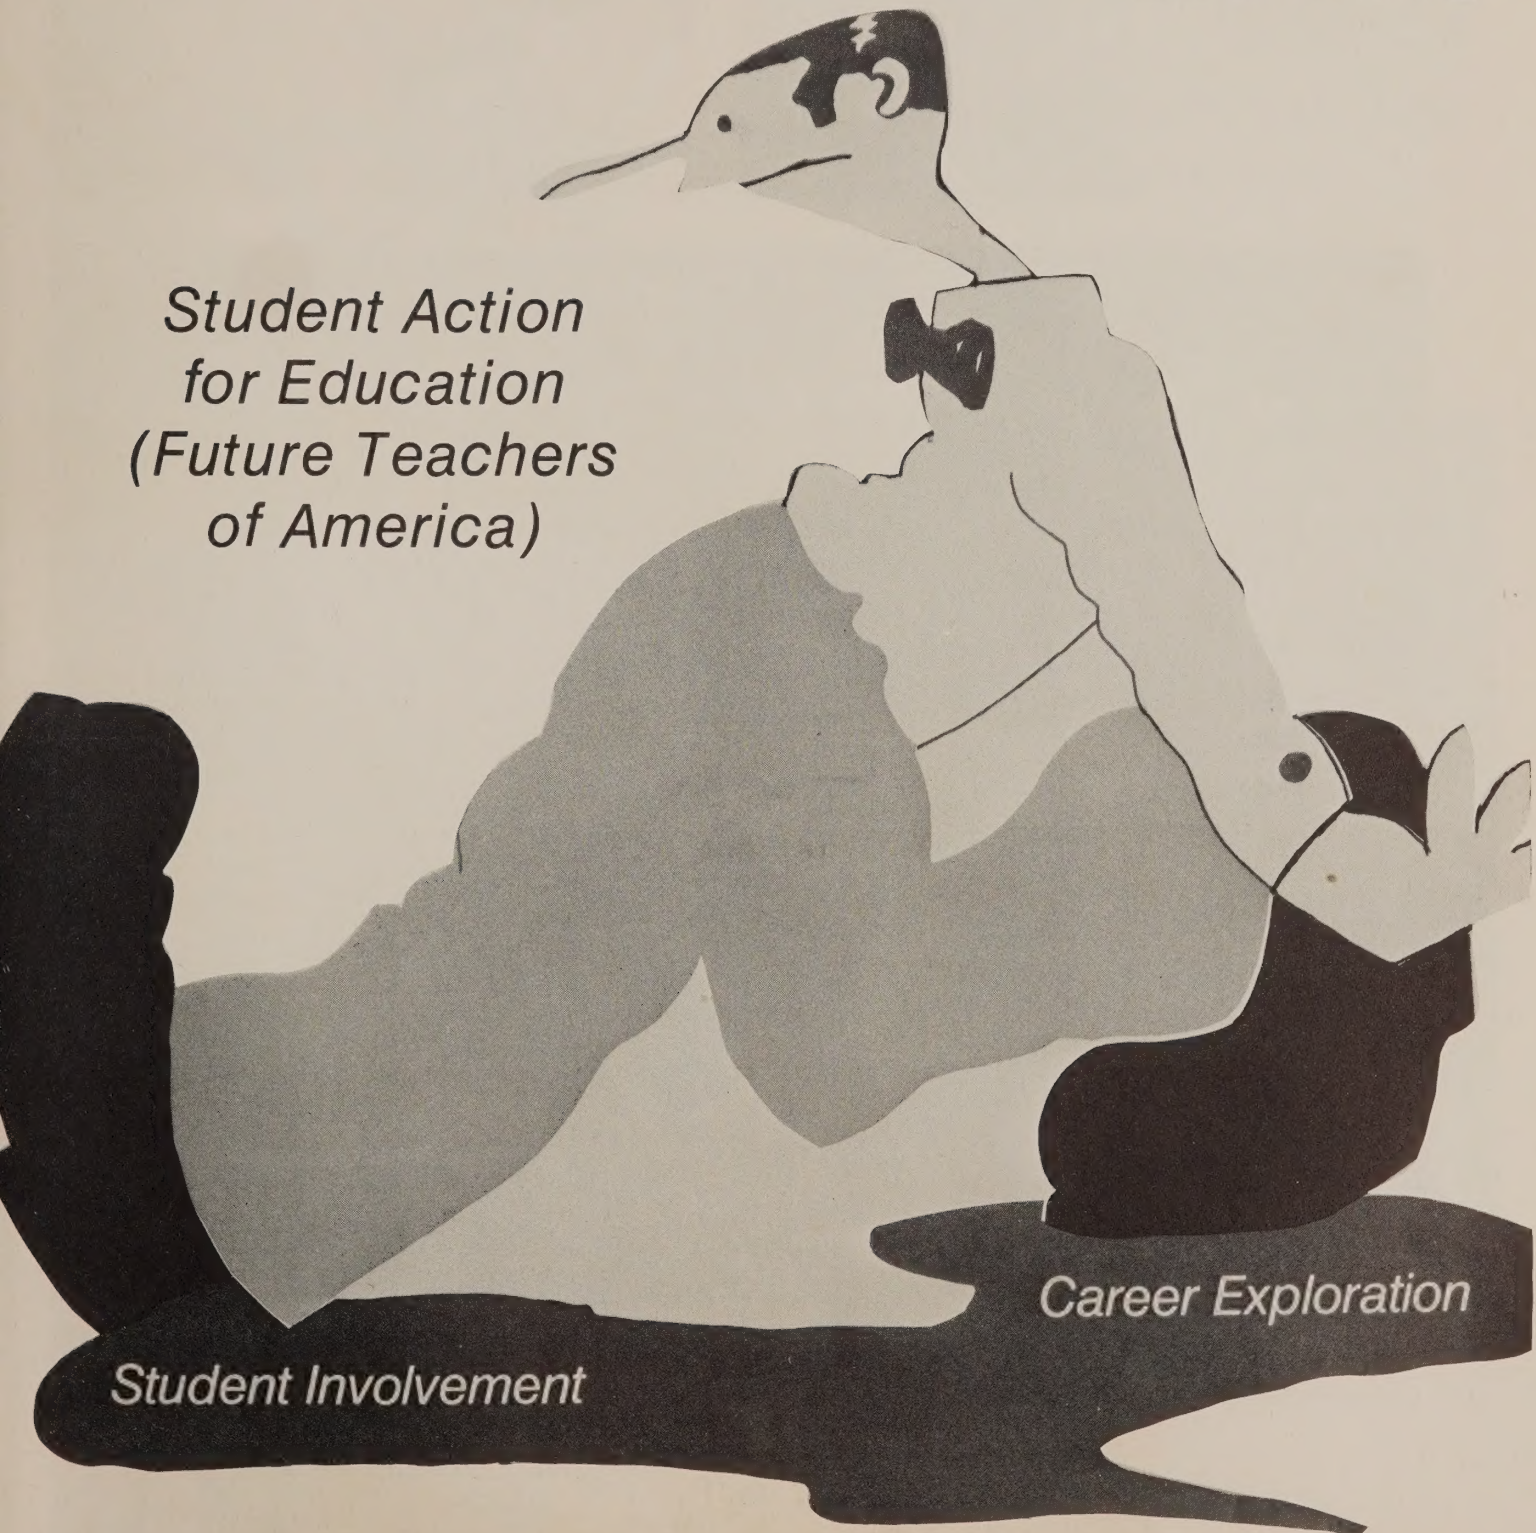

The Student Action for Education was organized to promote interest in the teaching profession, to learn it's opportunities, responsibilities, cost, scholarship availability, and general certification for the teaching profession.

I.A.S.A. Led By "Big O"

With such emphasis placed on purely academic subjects, the useful arts have often been neglected. Academic stress has been developed in a unique club at Deep Creek, the Industrial Arts Student's Association. Pursuing worthwhile interests, the I.A.S.A. entered the new realm of the practical world. Events in the I.A.S.A. were numerous this year: From the designing of an award-winning module to the activities of the 1973 Homecoming. Their accomplishments reflect well on the unique philosophies they believe in.

Mr. John Owens, Sponsor;
Steve Czarny, President;
Brad Stanfield, Vice-
President; Penny Reitelbach,
Secretary; Raymond Lindner,
Treasurer; Bobby Scott, Par-
liamentarian.

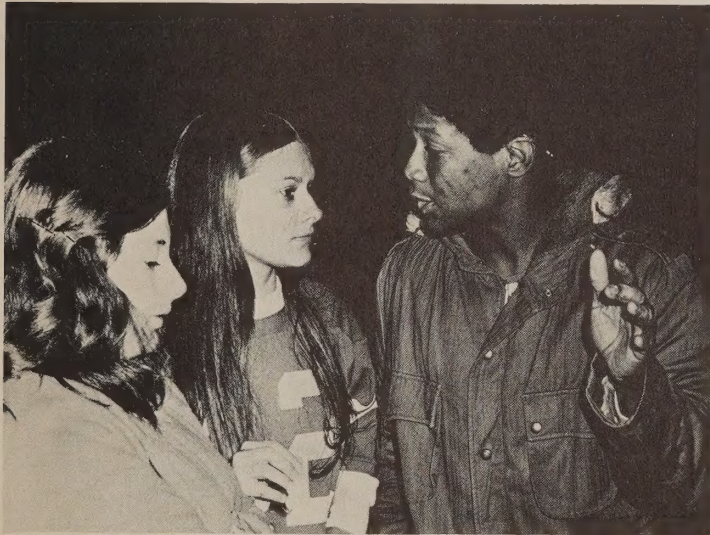

The purpose of the Lettermen's Club is to promote good sportmanship, as well as athletic achievement, the Lettermen's Club is made of those young men who acquired a Deep Creek High School letter.

Varsity Cheerleaders: Victory in their cry

The 1973-74 Varsity Cheerleaders were led by Co-Captains, Mona Jennette and Renee Jackson. The squad started a vigorous training program in early spring to prepare themselves for oncoming year. Car washes, selling spirit poms, buttons, and sponsoring dances after games, all helped to pay off a left over debt.

To increase the spirit of the squad and learn new cheers, the cheerleaders attended a clinic at Lake Taylor High School

The cheerleaders were sponsored by Mrs. Joyce Edwards and Mrs. Cecilia Harrington.

J.V. Cheerleaders Cheer Hornets To Victory

Ann Stanton, Lisa Ford, Becky Waters, Teresa Harris; Co-Captain, Sue Hamby, Vonda Moore, Gwen Blackman; Co-Captain, Denise Green, Anita Hornback, Mary Williams; On the Floor: Laura Gibbs.

Gwen Blackman and Teresa Harris led the Junior Varsity Cheerleaders through a winning football season. Backing up the Varsity Cheerleaders at pep rallies and games, they helped to promote school spirit to students and fans.

Selling ceramics and having car washes helped the girls to pay for uniforms and expences.

Mrs. Eason, Mrs. Thompson and Mrs. Gregory were the sponsors for the year.

Need to find someone? Do you want a message delivered? Then call on your assistants who are always willing to lend a helping hand. Guidance assistants run errands for guidance counselors Mrs. Babb, Mrs. Casteen, Mrs. Thomas, and Mrs. Rich. Mrs. Watts can always depend on her attendance assistants to bring her the absenses, deliver attendance lists and help with typing. Office assistants do whatever is needed of them from answering the phone to finding missing persons.

WDCH — HIT MUSIC?

That sound you hear each morning when you first get to school is not a tornado or Mr. Ridings practicing the morning announcements but Deep Creek's very own radio station, W.D.C.H. Sponsored by the Projectionists Club (seated at bottom), W.D.C.H. has been in operation since last school year. During that time they have attempted to make the day a little pleasanter for us by operating in the mornings and during lunch. The music they play ranges from soul to country and western in the hope that everyone will hear the type of music they can appreciate.

This year the HORNET Staff decided to carry out their theme "All Things Change and We Must Change With Them" after seriously examining last year's annual and measuring it against those produced by other schools. The staff, under the direction of editor Kim Winn and advisor Carl Wesley, made many changes such as the cover and layouts. To the rhythm of Mr. Wesley yelling, "We've got to make our deadline" they typed, argued, but miraculously survived the many conflicts of opinion all to produce an annual worthy of Deep Creek High School students.

HORNETS ENDURE A LONG SEASON

The 1973 Hornets began their season with high spirits and great anticipation to become a strong contender for the Southeastern title. But, plagued by injuries, the Hornets' season was somewhat of a letdown, though the amount of hard work the players put forth cannot be compared to a two and eight season.

Coaches for the 1973 Hornets were Head Coach Opauski and Assistant Coaches Boyce and Brown.

J.V. Ties For Southeastern District Title

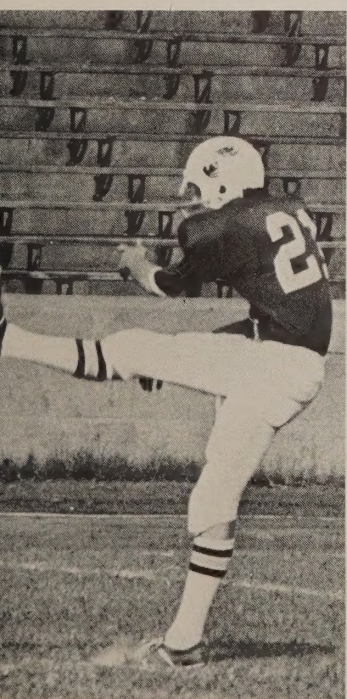

The 1973 Junior Varsity Hornets, guided by coaches Roberson and Olah, compiled a record of six wins and one loss, tying with Great Bridge and Western Branch for the Southeastern District Title.

With the talent and capabilities on the team, chances of good varsity squads in the future look very bright.

Crash diets, patience, and perseverance finally paid off for the Hornet matmen. They finished an outstanding season with a record of 8-1-1 and participated in the Southeastern District Tournament where the team captured third place with three of its members, Norman Gometz, Mike Casteen, and Mike Woods, the infamous "Murderer's Row" at 155, 167, and 185, taking individual championships. At the District tourney, the Hornets had ten wrestlers qualify to attend the Regional Tournament in Hampton. Coached by David Olah.

BASEBALL TEAM WINS SOUTHEASTERN

The 1972 — 73 Varsity Baseball team compiled a record of 11 and 2, and won the Southeastern District title for the second straight year. Led by Coaches Swisher and Day, the Hornets advanced to the championship game of Regional playoffs, where they bowed to Kempsville 3 to 2 in the final inning. Kempsville went on to win the State Championship.

With most of the team returning, the Hornet baseball team is sure to win another district title.

TENNIS TEAM FINISHES THIRD IN DISTRICT

The 1973 Tennis Team enjoyed their finest season ever here at Deep Creek High School. The Hornet netmen finished 3rd in the Southeastern District behind Churchland and Wilson. There were several outstanding performers led by Grayling Bryan who was picked as one of the top five players in the district and represented the Southeastern in the Regional meet. Other standouts were Bobby Gettier, Eugene Stevens, and Major Hillard who finished first, second, and second, respectively in the district tournament. The 1973 Season was also the first year that young ladies were allowed to participate in Varsity tennis, with Annie Dorsett, Betty Messina, and Jeanie Kennedy being the first to break the sex barrier.
